

WORLD ARTHRITIS DAY 2021

On the occasion of World Arthritis Day 2021, M.M.E&RC's MA Rangoonwala College of Physiotherapy & Research organized a Free Physiotherapy Camp. The camp was held on 14th October 2021 in the Physiotherapy OPD from 9am to 4pm

Detailed assessment and thorough treatment using latest equipments was provided to all the candidates attending the camp. Appropriate exercises were prescribed to the coined on regular basis as home exercises program. The patients were also given exercise charts for further reference at home. They were given relevant ergonomic advice for fair condition to be followed in their daily work routine for optimal functioning. A total of 77 is attended and benefited from this camp. They were advised to continue to visit the CPD for further treatment and exercises.

The camp was hosted under the support & guidance of Mrs. Abeda India, President M.M.E&R.C, Dr. Arif Memon, Vice President M.ME & RC, Dr. Nazim Sheikh, Secretary M.M.E&R.C and Dr. Ronika Agrawal, Principal, MA Rangoonwala College of Physiotherapy & Research.

This initiative taken on the occasion of World Arthritis Day proved to be a huge success.
