

**Date: 13<sup>th</sup> August**

**Place: M.A Rangoonwala College of Physiotherapy and Research.**

On auspicious occasion of Independence Day various activities and competitions were held in minds of students.

Intra campus speech competition was one amongst the various competitions held. Students from M.A Rangoonwala College of Physiotherapy and Research also participated in this competition with great enthusiasm. Among all the student entries, willing to participate, three best students were shortlisted for the competition.

The topics for speech competition were, “Importance of Constitution” and “Social and Geographical development of Independent India”. The competition was held in English language with time limit of five minutes per student.

Two students from first year and one student from final year represented M.A Rangoonwala college of Physiotherapy with great enthusiasm on 13<sup>th</sup> August. The event started with welcoming of dignitaries and judges. The competition lasted for around three hours. The competition concluded on vote of thanks. The results were intimated to respective colleges subsequently.

Although none of the student of M A Rangoonwala College of Physiotherapy was able to secure a price, this competition definitely boosted confidence, courage and poise among all the participants. Students took the competition sportively and affirmed to participate with more efforts the next year. Thus the speech competition was a success in every sense.
