

TEACHER'S DAY CELEBRATION 2022

On the occasion of teachers day 5th Sept 2022, the students of M.A. Rangoonwala College of Physiotherapy and Research organized an event for the teachers. The event started at 1 pm. It was hosted by fourth year students. A second year student emphasized the importance of teachers through a wonderful speech which was followed by a heart touching poem.

The teachers were felicitated with gifts, cards and bouquets by the students. The first year students arranged a game of charades where the teachers had a joyous time enacting the movies. The second year students ensured that the teachers had a spectacular time by involving them in another game of "guess the song". The students joined along in singing and that added to the zest of the game. A heartfelt video was made by the fourth year students reminiscing memories from the previous years.

The program concluded with a cake cutting ceremony and thoughtful words conveyed by the Principal Dr.Ronika Agrawal ma'am encouraging the students to excel in academic and extracurricular activities. The photo booth made by the students was an added highlight to the delightful day. The precious smiles on the teachers' face reassured the success of the event.
