### LECTURE ON NUTRITION IN CANCER PATIENTS

We are delighted to report the successful culmination of our Breast Cancer Awareness Month celebration. M. A. Rangoonwala College of Physiotherapy and Research, had the honor of hosting a distinguished guest lecturer to shed light on the vital topic of "Nutrition in Cancer Patients" held on 30<sup>th</sup> October 2023.

In the audience we had 2nd year and 3rd year B.P.Th students along with 1st and 2nd year MPT students. The event commenced with an opening address, emphasizing the importance of awareness and early detection in the fight against breast cancer and after this, lecture by our esteemed guest speaker began at 2.30 pm. The students were captivated by the insightful presentation delivered by our esteemed guest lecturer, Dr Anu Mahajan, a renowned expert in the field of nutrition. She shared in-depth knowledge about the role of proper nutrition in alleviating the impact of cancer treatment and enhancing the overall well-being of patients.

We thank our management Mrs. Abeda P. Inamdar (President, M.M.E & R.C), Dr. Arif Memon (Vice President, M.M.E & R.C) and Dr. Nazim Shaikh (Secretary, M.M.E & R.C) for giving us an opportunity to conduct this event successfully. The event was conducted under the guidance of the principal of M. A. Rangoonwala College of Physiotherapy and Research, Pune Dr. Ronika Agrawal, and was co-ordinated by Dr Mamta Chainani.
