On 15th October 2024, M. A. Rangoonwala College of Physiotherapy and Research had organized a Free Physiotherapy Camp to commemorate World Arthritis Day which is observed on 12th October every year. Awareness about the camp was done prior by displaying Flex, distributing pamphlets, word of mouth etc. On 15th October, the camp began at 9 am and all the patients coming to Musculoskeletal and Neuro OPD were treated free of cost. A thorough assessment of patients was done and documented after which, treatment was given to every patient. Patients with conditions like mechanical pain, postural syndromes, degenerative conditions, stroke etc were given treatment in the form of Patient education, ergonomic advice, condition specific modality and exercises. A total of 113 patients having different problems, benefitted from the camp and were satisfied with the treatment.
